SWEET SPOT Hitting Stations

- 8'x8' easily assembled multiple color choice powder coated steel frame provides a durable clean appearance.
- Frame posts have a 3' extension for simple anchoring into the ground. Plate mounting option available for installation on an existing cement pad.
- #60 Heavy duty baseball netting with a 5'x5' centered containment sock (Sweet Spot) for a target zone. Net is hemmed and affixed with grommets for additional durability and ease of attachment to the frame. Net can also easily be removed during the off season to be placed in storage to increase the life of the net.
- Stations can be strategically placed to designate warm up areas for busy complexes.
- Can add multiple stations in the same area.
- The yellow outlined Sweet Spot (containment sock) can serve as a pitching warm-up & training tool.
- If stations are strategically placed, they can serve as a bullpen backstop and provide an additional safety barrier for any fans seated along the baselines.
- Discounted Hitting Mats are available with each station purchase.
